It is hard to imagine the writer, Anita Desai, thinking, ah, a state of the nation novel is what is required. Yet her three novellas in a book entitled The Artist of Disappearance reflect, as beautifully as anything I have read, the big narrative of a culture caught as it is between centuries of tradition and the new forces of capitalism.

"The Artist of Disappearance" tells of Ravi, an adult living in the burned remains of the family home. As Ravi's story evolves, his sensitivity to the world around him becomes clear, and his understanding of aesthetics regarding the natural world is particularly sophisticated. Ravi has created a hidden garden which represents the essence of beauty.
