NLP was developed through observing what works in creating change and excellence. The body of NLP is so effective in coaching because it provides coaches with models, techniques and processes to follow that help bring about change and help people get what they want from life and achieve excellence.

NLP Coaching | Success System and Model

The Logical Levels hierarchy above highlights one a set of lenses to look through to understand someone in a useful way. If we interpret the words I can't though through NLP Logical Levels, we should notice the reference to capabilities. When I say I can't I am, in a literal sense, talking about my capabilities, meaning I do not possess the needed capabilities, mental and/or physical.
