such as mutual funds, pension funds, and endowments, are the buy side of Wall Street. Buy-side institutions use proprietary research to make investments for the portfolios they manage and don't interact with or make recommendations to individual investors.

Buy-Side Definition

The Buy Side doesn't get us any closer to answering that question, but along the way we get a look inside perhaps the most ethically-challenged investment firm in recent memory, and a harrowing journey through drug addiction and recovery. "Turney Duff's The Buy Side is the perfect parable for Wall Street's lost decade.
