The carrot seed (Book, 2000) [WorldCat.org]

Carrot seeds come from the same plant, of course. But is it from the carrot itself, the orange colored part? For sure you've been eating more than a dozen times of this vegetable. There is no seed, not a single one in its fruit. It's easy to guess where do carrot seeds come from actually. Like most

plants, if not the fruit, it's in the ...
