### The Death of American Citizenship - Townhall

The Death and Life of Great American Cities is a 1961 book about urban planning and theory by American urbanist, activist, and writer Jane Jacobs. The book is primarily a criticism of the modernist urban planning policies of the 1950s, which, in Jacobs' view, promoted class and racial segregation, slum formation, and other urban phenomena that stifle human flourishing.

### The Death and Life of Great American Cities Summary ...

The social and cultural dimensions of death and dying are equally compelling. Death is as good as any way to read the values of a society at a particular point in time, a central component of any civilization. Our cult of celebrity can easily be detected, for example,...
