The ethics of doxing and the politics of public shame. Recently, dozens of bishops in the Catholic Church--amid a wave of investigations into alleged sexual abuse of minors--have taken an unprecedented step: They released lists of priests who were credibly accused of abuse.

The ethics of doxing and the politics of public shaming ...

So, why the Times' public shaming of USC and Dr. Puliafito? Is it the position of the Times that no one who abuses drugs be allowed to work at any prestigious job? Considering that the Times supports both supervised injection sites and the legalization of marijuana , and is the newspaper most closely affiliated with Hollywood, probably not.

Does the public shaming of Carmen Puliafito go too far?

Compounding the differences is the resentment developed on the part of medicine by the perception that public health and government too often meddle in their prerogatives, and on the part of ...
