book is not really ordinary book, you
have it then the world is in your hands.
The benefit you get by reading this book
is actually information inside this
reserve

The Truth About Managing People...And Nothing But the ...

Commonly, managers look for
hardworking, dependable, persistent
people to hire, unaware that personality
traits don't necessarily indicate how well
employees will do. This is true because
organizational settings themselves have
a major influence on how people
behave, since people are very adaptive.
