Bud Taplin, the founder and proprietor of Worldcruiser Yacht Company, was the first general manager of Westsail Corporation, and developed the manufacturing methods and put into production the original Westsail 32 in 1972. Replacement parts are available for all sizes of Westsail boats, as well as technical assistance and advice.

WESTSAIL - WORLD CRUISER YACHT CO.

In preparing for a fix, and after reviewing the owners manual, I am not sure what the rudder is made of. Is it foam core with marine plywood or core alone fiberglassed over. If the latter, should I not worry too much about the current condition, or is it something that should be fixed ASAP? ... Westsail 32, Hull #438)

Bud Taplin was the first general manager of Westsail Corporation, and developed the manufacturing methods and put into production the original Westsail 32 in 1972, and built the tooling for the Westsail 42. In 1974 he left Westsail to start his own boat-building company, Worldcruiser, specializing in custom construction of sailboats.

WORLD CRUISER YACHT CO. - WESTSAIL

The Westsail 32 was a production fiberglass sailboat built between the years of 1971 and 1980. Approximately 830 were built, about half of them in kit form. The "W32", as they are often referred to, was very heavily built and has taken many people on trouble-free voyages and several circumnavigations.
