## When A Child Dies From

You will divide your life in two halves: when your child was still alive and after your child died. You will be shocked the first time you smile at the thought of your child rather than begin to cry. You will be angry at yourself the first day you realize you haven't thought about your child who died from morning until night.

## My World Stopped When My Child Died, But I Learned To Live ...

While a deceased child will never be forgotten, the work of mourning is to be able to separate from the child emotionally in a way so that life can go on for the parents, sibs, and family members.

## **After a Child Dies**

Also unsupportable is the more complicated theory that God uses His foreknowledge to determine whether a child who dies will enter heaven or hell. The idea is that He rescues those who He knows would have grown up and been saved, but He rejects the rest. What terrible uncertainty that would mean for family members left behind.

When a Child Dies #1. 2012 February 7. by Mike. I guess because so many know the stories of our daughter's death and of the horrible accident our son was in (that took his friend's life), Diane and I have been privileged to walk through deep, dark times with others who've lost children. It's holy ground.
