White is for Magic is a very interesting read. The suspense is superb, and the book is fast-paced. I have no interest in wicca, but the suspense and mystery far outweighs the embedded wicca elements.

Colors play an important role in our lives and even when we do creative work or meditate, we can lend distinctive vibrations and focus our intentions better through the burning of different colored candles. Indeed; candle “magick” is an important and much studied science and art (which many feel, wrongly, is associated with black magic [...])

White Magic vs Black Magick. In white magic, they are committed to the higher self of the soul, working for the betterment of human kind and with the end goal of fraternity and peace on earth. The former is just a tool of the latter, in which ignorance of the former is the name of the soul game. For what you reap, you shall sow.
