Foot Care, Podiatrist, Panama City, Heel Pain, Foot Pain

Most of us see the connection between social and physical pain as a figurative one. We agree that “love hurts,” but we don’t think it hurts the way that, say, being kicked in the shin hurts. At the same time, life often presents a compelling argument that the two types of pain share a common source.

Why Do I Hurt? | Adriaan Louw | OPTP

This doesn’t mean you agree with the person who has hurt you or with what he or she has done. Rather, you have chosen to respond in a certain, predetermined way. When you present your concerns with a door open to reconciliation, you should find yourself pleased at how often the other person will opt to walk through.

Why You Really Hurt: It All Starts in the Foot: Dr. Burton ...

Why You Really Hurt: It All Starts in the Foot, tells the story of two these famous physicians and their association with the common, but painful, medical condition known as the Morton’s Toe. Millions of people suffer everyday with chronic aches and pains from head to toe and don’t know why.
