### 3 Best Ways to Deal With People Talking About You Behind ...

There are many varieties of people who “talk down to you.” Their words and their tone suggest they know more than you, or that you are not at their same level. It could be someone who is narcissistic. Or who ‘mansplains.’ Or who is so caught up in their passion for a topic, they lose who their audience is. But whoever it is, the implication is that they are better or smarter than you ...
